# GENERAL DESCRIPTION

## Who can take part in this tour? Group Size?

## Where is the tour taking place?

On the imaginary line that divides the globe into North and South, Ecuador is one of the smallest countries in South America and is nestled in the Andes mountains over 9,000 feet above sea level. Ecuador is one of only 17 countries on earth considered mega-diverse. Ecuador is “home to about 3,300 species of orchids, more than 1,500 species of birds, 350 species of reptiles, 450 species of amphibians, and more than 20,000 vascular plants” This diversity is also reflected on its people, with an ethnically mixed population representing Spanish and indigenous roots.

Quito, our host city, is the capital of Ecuador and the first city in the world named by UNESCO a “world heritage” city in 1978. Other distinctions include the honor of being named “cultural capital” of Latin America, and being described as “the most beautiful big city in South America.” With a population of 2.4 million, Quito offers one of the best preserved colonial centers in the world, combining a rich history with a contemporary metropolitan image. Quito was founded in 1534 and today, it offers an ideal place to travel with a rich cultural history, several natural attractions, dozens of museums, theater, concerts, great food, good transportation, state-of-the-art shopping centers, numerous parks, and a selection of food to please every visitor.

Few cities can offer what Quito offers to participants, and with a weather year-round described as the best weather on the planet, Quito is a destination that National Geographic has named as one of the top 10 places to visit in the world.
